

Guide Map for ERATO office, Halls and Hotel

The Office, Sanjo Conference Hall, Forest Hongo Hotel, Hotel Kizankan, etc.

The Red Gate of the Hongo Campus of the University of Tokyo is the prominent landmark near our office. We therefore suggest that you find the Red Gate, which fronts onto Hongo-dori Street.

After you find the Red Gate, which is a brownish color, you must follow this map carefully as our office is surrounded by many small alleyways.
